Children, Youth, & Family Ministries

This month, our Children's Ministry kicks off a year-long journey through the Bible as we look at God's Big Story.

Growing Garden (PreK-K)

This month, we are taking an exciting journey to the moon and back as we learn that God made everything! We want our littlest to know that this beautiful world they live in was created by our loving, creative, and powerful God. All God had to do was say it, and it was! Wow! So, what did God do after He made everything? "God saw everything he had made. And it was very good." (Genesis 1:31 NIV) Then, God rested. And that is what we hope to do this month: Look at everything God made, see that it is very good, and then rest in knowing that our God is powerful, creative and loves us to the moon and back.

Fireside Friends (1st-5th grade)

Every story has a beginning. As we explore Creation and other important moments, kids will discover that not only did God create everything, but even after people chose to go their own way, God had a plan to restore us. We can see how God faithfully began to fulfill that plan in Abram's call and in the lives of Jacob and Joseph. When kids see how God has worked in the past, they can grow in faith that our faithful God continues to work in and through each person who chooses to follow Jesus. This month with "Origin Story", we discover that God loves us more deeply than we can imagine, and because God fulfilled that promise, we can trust God with our whole lives.
